Peak Season Surcharge (PSS) for the Caribbean

Dear Customer,

Very strong cargo flows in the trade between Europe and the Caribbean are giving rise to higher operational costs than usual. As a consequence, Hapag-Lloyd AG, as a member Line of the ESPM-Witass will implement following charge:

Peak Season Surcharge (PSS) of EUR 310 per TEU

This surcharge will take effect from the following southbound sailings and remain in force until further notice:

- Vessel: Torge S Voyage 8134S
- Vessel: CSAV Rio Baker Voyage 8234S
- Vessel: CMA CGM Castilla Voyage 8333S

We will keep you closely informed about further developments.

kind regards,

Hapag-Lloyd
